"Our family was truly blessed to have chanced upon this wonderful cottage! Our son's Air Force Academy Graduation was even more special by the comfort and unbelievable hospitality and amenities so graciously shared by Happy Trails. The location was ideal for sightseeing yet close enough to the Academy for the week's events. The memories for the week will include the family barbeques, nightly card games and the beautiful view our family was able to share. Thank you" Mark & Sue R

"We truly enjoyed our stay. Being at a home with everything here already was truly a blessing. Knowing that we all share the hope and love of Jesus was a special perk. The house was comfy, private, a great relaxation "base of operations" for our family vacation. Staying here put a real nice bow on the top. In Him, Joel, for all the Miles Family"

"Our final night in Colorado - it's been quite a trip! We attended a family wedding, went white-water rafting, and saw some sights we didn't get to see ten years ago when we were here last. It was a comfort to come back to this cozy cottage - all the comforts of home! Thank you for your hospitality - for calling and checking up on us - most likely we will return again. Until then, a warm thankyou from the Walter Family for providing us a safe, lovely place to rest."

"We have enjoyed staying at your home. It was very comfortable and you have provided all the things we needed. This area is beautiful and we have enjoyed all the sights. It was wonderful to explore during the day and catch up with our friends at night. We were excited to see a bear wandering past the house one morning. We also enjoyed the baby birds in the bird house on the porch. Thanks again for providing such a nice place to stay." Steve, Marian, Ruth, Rhonda, Dennis & Marie from England, Minnesota & Tennessee

"The house was a great relaxing respite for us during our stay. We are here to have a family vacation while Justin reports to the USAFA Prep School - a bittersweet combination as our first leaves the family nest. We've had a great time seeing the Garden of the Gods, the Academy, Molly Kathleen Mine, Arkansas River white-water rafting, fishing at 11-Mile Reservoir and visiting the hot springs in Buena Vista. We have been busy! We had a great time and have many memories of this week... We'll be back!" The Smith's, Rose's & Walter's
